Regarding: Recommendation of Venture Business Brokers, Ltd.

To Whom *It May Concern,*

Stenzel Graphic Arts, Inc. had the opportunity two years ago to use the services of Venture Business Brokers. Mr. John A. Mikaelian needed to determine the value of Stenzel Graphic Arts in order to proceed with a buy out of one of the principals.

We are very pleased with the professional way our request and needs were handled in regards to the valuation, appraisal and recommendations for financing. We gladly recommend Venture Business Brokers to any one who need the services of the Business Broker House and Business Valuator.

Sincerely,

Lawrence C. Stenzel
